

SHEN LEE OSIALAI

[Address:24814-00502,Nairobi,karen] · [0758083176]

[shenleekhalid@gmail.com] · [Instagram@shen lee osialai/website:]

I am a seasoned Full Stack Developer with over 3 years of experience, specializing in both front-end and back-end technologies. Previously, I contributed to Safra Data as a Data Analyst, where my analytical skills and technical expertise were instrumental in extracting valuable insights. My proficiency in web development, combined with a solid background in data analysis, positions me as a well-rounded candidate for roles requiring a versatile skill set.
